

New Class Nomenclature

The school will use a new set of class names from this term onwards to promote the reflection of values on a daily basis. These values were taken from the School Song to help build a meaningful class and school experience for the Dunmanites. The Form Teachers and the students chose the school song value that most resonated with their class and this will be used as the theme for the rest of the year. This is congruent to the school's emphasis in delivering a coherent values-based holistic Total Curriculum. The class name will take on the format of *Level – School Song Value*. The following will be the new class names (old class names in the brackets):
